Child Abuse and Neglect, Rhode Island, 2017

By Age of Victim*

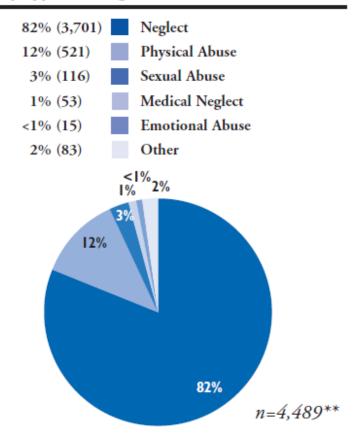

Source: Rhode Island DCYF, Rhode Island Children's Information System (RICHIST), 2017. Percentages may not sum to 100% due to rounding. *These data reflect an unduplicated count of child victims. The number of victims is higher than the number of indicated investigations. One indicated investigation can involve more than one child victim.

Child Abuse and Neglect, Rhode Island, 2017

By Type of Neglect/Abuse**

Source: Rhode Island DCYF, Rhode Island Children's Information System (RICHIST), 2017. Percentages may not sum to 100% due to rounding. **This number is greater than the unduplicated count of child victims because children often experience more than one maltreatment event and/or more than one type of abuse. Within each type of abuse, the number of child victims is unduplicated.

^{**}Relatives caring for children are classified as an out-of-home placement by DCYF, despite the fact that these relatives did not receive monetary payments from DCYF to care for the children and the children were never removed and never needed to be removed from the relatives' homes. In these cases, the relative caring for the child initiated contact with DCYF to receive assistance from the agency.
