The Elementary and Secondary School Emergency Relief Fund

The American Rescue Plan Elementary and Secondary School Emergency Relief (ARP ESSER) Fund is part of the *American Rescue Plan (ARP) Act* of 2021. ARP ESSER, also known as **ESSER III**, provides funding to states and school districts to reopen schools safely, maximize in-person instruction, and address the impact of the coronavirus pandemic on students, families, and educators.¹

This is in addition to funds from the *Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act*, also known as **ESSER II**, which was passed in December, 2020. Rhode Island will receive \$599.8 million from these federal stimulus packages. The Rhode Island Department (RIDE) will receive approximately \$59.9 million and school districts will receive the remaining \$539.8 million.^{2,3}
